An underwater photograph showing a vibrant coral reef. The water is clear and blue, with sunlight filtering through from the surface, creating shimmering patterns. The coral is diverse in color and shape, with some appearing as large, rounded structures and others as more intricate, branching forms. The overall scene is serene and beautiful.

An aerial photograph of a coastline. On the left, the ocean is a deep blue, with white waves crashing against a dark, rocky shore. To the right, a lush green hillside rises from the coast, covered in dense vegetation. The sky is a clear, light blue with a few wispy white clouds in the upper right corner. The word "NIUE" is superimposed in large, white, sans-serif capital letters across the center of the image.
